Heather's Little Bush

Dear Virgin Territory,

Heather from the April '11 issue is one of my favorite models. I was so happy to see her again, and I was ecstatic that she grew out her pubes. I would have liked to have seen her with a full bush, but the hairdo she has now is quite lovely. I know it is hard for you to find models with bushes, so I appreciate it when you do feature a girl with a bit of pubic hair, even if she doesn't have a full-blown bush. And it was a treat to see a little hedge on one of my favorite models. Thanks!—M.D., New York, New York

Dear M.D.,

When we found out that Heather had a little bush going on, we knew we had to feature her again for all the guys who like pubes. We're glad you enjoyed her photos!

Melissa's Lookin' Fine

Dear Virgin Territory,

I love Melissa from the March '11 issue. I hope to see her in hardcore soon. I am not a subscriber to your magazine because my wife would go batshit crazy on me if she found out. So I have to settle for getting your magazine from a store near my house, but sometimes they don't have your magazines or sell out of them. Please let me know if Melissa fucks for you soon, so I don't miss it. If she fucks she will definitely become one of my favorite girls. No offense to girls who don't do hardcore. But I look at porn because I like to see girls fucking!

But anyway, Melissa is really cute. I like her sparkly blue eyes and her hot

body. Her boobs are the perfect B-cups. And that shot of her spreading her ass-cheeks on the bottom of page 69 is truly magnificent. And kudos to her for wax-

ing her pussy What a turn-on!—E.S., Westchester, New York

Dear E.S.,

Melissa is a cutie and one of our favorite girls from the March '11 issue. In case you missed it, she fucked in June '11. You can order a back issue on page 11.

Melissa makes sure your cock is wet before it goes in her pussy.

One for the Sluts

Dear Virgin Territory,

Super hot photos of Sasha getting fucked in the March '11 issue. She looks like such a sexy, slutty Latina. I know some guys who read *18eighteen* like the models to look all innocent—which I happen to like, too—but I also appreciate the young sluts very much! They're the ones who make me cum the hardest. Horny girls like Sasha who crave cock and go crazy when it's inside of them. I also think she's one of the hottest girls you've had in your magazine in a long time. Sasha is quite a looker! She looks like she really knows how to rock a cock. I even ordered a copy of *Piped Pixies* because of her.—E.L., Los Angeles, California

Dear E.L.,

Sasha's scene is super hot in *Piped Pixies*. She's also in the movie *Naughty Neighbors 1*, if you'd like to see more of her in action. She moans and fucks like a horny, little slut who has just discovered cock. She's definitely a star in the making. If you'd like to see her in *Naughty Neighbors 1*, go to page 9 to order it.

Hooray for Hard-ons!

Dear Virgin Territory,

The April issue was a hard-on festi-

val! Caprice was fuckin' awesome. I love the little bow on her panties. What did the message on the panties say? I couldn't read it while I was jacking off. Linda's another hot, little blonde I would love to fuck. As long as I've got a face, she has a place to sit.

But I think Heather has the sweets ass of all. I would love to bury my tongue between her sweet cheeks. Bella is also smoking hot. I would love a little 69 action with her fine ass!—J.R., Nashville, Tennessee

Dear J.R.,

We're not sure what Caprice's panties said, either. We can't manage to peel our eyes off her pretty pussy or perfect tits long enough to tell. Oh yeah, and it doesn't help that whatever was written on them was in French.

Super Happy Canuck

Dear Virgin Territory,

I bought the April '11 issue of *18eighteen* and it's heaven for my eyes and cock! The cover with Caprice is super hot. The girls' stripteases are good shows. Bravo, your girls made my French-Canadian penis ejaculate!

My favorite girl is Linda. I love her naughty, little ass. Are you surprised? But all the girls are beautiful, petite cuties. Abby has the

prose is always fun to read.

It's always a pleasure reading your magazine!-P.L., Quebec, Canada

Dear P.L.,

We're glad you asked about the errors on page 3 of the table of contents. These were not errors. Unfortunately two layouts in the April '11 issue did not pass Canadian censorship, and as a result we had to replace those layouts with pictorials of Bonnie and Abby in Canada. Due to technical reasons, this change could not be reflected in the table of contents in the Canadian issue, which is why you saw the names Nychole and Gigi (the models who did not pass Canadian censorship) instead of Abby and Bonnie. Isabella Gets Better

Dear Virgin Territory,

Isabella has become my new favorite model. I remember her being on the cover of the Holiday '09 issue. I thought she was cute at the time, but she didn't stand out that much to me for some reason. But when I saw her again with Teagan in the Nov. '10 issue, she really caught my eye. And then when I saw her do her hardcore in the April '11 issue, I really fell in love with her. It's like she gets cuter every time I see her!

After seeing her fuck photos I ordered her move, *Flat & Fucked* 4. Wow! She was great. Isabella is even cuter in video than she is in photos, and she has a great personality. I want to fuck her and then take her out to eat ice cream afterwards. Thank you for introducing me to this young beauty who has stolen my heart and tons of my cum!—J.V., via email

Dear J.V.,

We do agree that Isabella keeps getting better. We had originally only shot her in

solo scenes, but when we found out she was willing to fuck for us, we jumped on the opportunity. Best decision ever!

Gigi's Legal. We Swear!

Dear Virgin Territory,

Gigi is so sexy. Her flat chest makes me want to blow a load in my pants. I love flexible girls, and I really liked the photo of her in a split. Take pictures of flexible girls in poses like that more often. And please feature Gigi again. I could barely believe she's 18!—D.R., Minneapolis, Minnesota

Dear D.R.,

Look out for a XXX set of Gigi that will run in our magazine soon.

18

Gigi's fresh face didn't pass censorship in Canada, so here she is.

KATIE Creamed Teen

What naughty things have you been up to, Katie?

"Oh, I fucked my boyfriend while my parents were out running some errands. I had been waiting to do that for so long I could barely contain myself. It was great, and I think wanting it so bad made it even better."

Release: StoreMags & FantaMag

StoreKage.com

How come you waited so long to try it?

"Well, me and him had fucked before, duh! But it was always in a car or somewhere uncomfortable where we had to be quiet or discreet. For once I just wanted to fuck comfortably inside a house. I knew my parents were going to be gone for a few hours one weekend, so we made plans to fuck at my parents' house on one of their expensive couches. So my parents left, and I called him to come over. After I hung up the phone I almost creamed my panties I was so excited. He got here, and we started fooling around right away in front of this big window that my neighbors can see into. It was so naughty and hot!"

What was your favorite part?

"It's hard to pick. The sex was really good. Better than usual. But if I had to pick the best thing about it, it would probably be when my boyfriend came on my face. His load was so big!"

Do you still have your cherry?

"Yes, I do. That's not a bad thing, right? I mean, I don't plan to be a virgin forever. It just hasn't happened yet. I think it'll happen soon, actually, because I'm getting tired of being a virgin!"

"I don't think many other guys feel that way! I think they get turned off when a girl is a virgin 'cause they think she'll be bad at sex. That's what my guy friend told me one night on the phone. I'm really curious about sex, and he's done it before, so I started asking him all these questions. He was telling me how good it feels to have an orgasm from having sex, and that it's way better than when you give yourself one from masturbating. It kind of made me feel bad 'cause I was masturbating while he was telling me all that stuff."

So what is the furthest you've gone with fooling around, Aubrey?

"I went out with this guy for like a month, and I gave him a blow job. It was one night when I had snuck out of my house. We were in his car. He said that I gave really good head, especially for someone who had never done it before. I guess I'm a natural! He really wanted to eat me out and fuck me, too. But I didn't let him. I don't know. I just didn't want to do all that in a small, uncomfortable, cramped car. And I didn't really like him that much anyway. I really want to lose my virginity, just not to him. He was kind of an asshole. I think I'll wait till I meet a nicer guy to finally try having sex."

Shelby. It was a pretty cool name...if you were a car. Or had lots of friends. Or weren't such an outcast at school. But with summer here and college just weeks away, one recent high school grad discovers that it isn't a misfit if it...

Fills Your ASS

The sun was hot and Shelby wanted nothing more than to get out of it. Her black tee and jeans were sucking up the heat the way a ten year old sucks up mac and cheese.

"Come ooon, Shelby," Laura whined. "Just let me call my dad, he'll pick us up and you can have that old, crappy thing towed."

Ignoring Laura and casting a look back at her ancient Dodge Colt, Shelby turned up the driveway with the sign boasting GARAGE SALE. Ten minutes, she thought. That'd be enough for the temperature gauge to drop enough for her to drive to a gas station and refill the radiator. Then she could continue on to the mall, where the two of them could split up. Laura to waste time trying on every new pair of shoes in the joint, while Shelby hit Hot Topic and DVant, where she could check out the new horror and indie movies. The splitting-up part couldn't come fast enough.

Mercifully, she thought, wandering past tables set out with old appliances, paperbacks and junk, it was only six more weeks until she started her first semester at college. By then, she'd have the money saved up to get herself a better ride, and retire her decrepit beater for something a little more tolerable. Anything would be better than the hamster-mobile.

The garage sale was a blessing. The alternative—sitting in the stuffy Colt, in the heat, with Laura complaining—would've been torture. Thanks to the Colt's black paint job—it's only saving grace in Shelby's eyes—they would've roasted. At least here, Laura could browse. No, it wasn't the mall, and it wasn't air conditioned, but it was still shopping. Sort of.

What Laura needs is to get laid, Shelby thought, thumbing through a rack of classic-era punk reissue tees. *If Laura spent a little more time with a cock in her mouth, she wouldn't be able to bitch so much.*

Not that Shelby could talk from experience. When you were an outsider like she was, guys weren't exactly begging you to drop to your knees even if there was a good chance of you swallowing their jizz. The guys who were willing to hit on her were almost always

drunks, and worse, ones who'd struck out with the other girls at the party.

She held up a Ramones' Too Tough To Die tee that was pretty thin, but more than wearable. She looked at the collar. Was it a reissue? It *had* to be...didn't it? She flipped through some more. An Iggy Pop Blah-Blah-Blah tour shirt. A Siouxsie and the Banshees tee promoting their Spellbound single.

"You have *got* to be kidding," Laura scoffed, eyeing the old cotton with disdain. Shelby pressed on. Though they barely got along, Shelby supposed it was better than nothing. She knew Laura only hung around with her because she was hot for her brother, but when you were a misfit like Shelby, even Laura's company was okay.

Something caught her eye. Turning, she spotted a rack of LPs. She'd inherited her dad's old turntable, and had a growing collection of vinyl. But this...this was impressive. Old Bauhaus and Bowie 45s. Duran Duran's RIO in pristine condition. Shelby unsleeved it, wide-eyed.

"Need any help?"

Shelby jumped. The voice was gruff and dismissive. She looked up to see a guy in his late 30s looking over the table at her, brows furrowed. He was staring right at her tits!

Shelby jumped. The voice was gruff and dismissive. She looked up to see a guy in his late 30s looking over the table at her, brows furrowed. He was staring right at her tits!

"Uh, just looking," she said, resleeving the album.

"Nice," he continued, pointing at her chest. Shelby couldn't believe his nerve. What a pig! She glanced at Laura, who was wearing her tres-creeped-out look. Shelby glared back at the guy. True, he wasn't much of a looker, though he looked like he was pretty solidly built. She debated firing off a rude remark.

"Caught 'em on the Sextreme Ball tour," he said. "It was a heckuva show."

Shelby looked down. She was wearing her My Life With the Thrill Kill Kult, Dirtiest Show On Earth concert shirt. She swallowed her words. Whoops! Obviously, he hadn't been staring at her tits. Suddenly, she went from angry to disappointed. She was surprised at the latter.

Laura had seen enough, and was dialing her dad. She wasn't going to miss any mall-time if she could help it. Shelby returned to the vinyl.

"So, this is all you have?" Shelby asked. If it wasn't for the Colt, she'd have emptied her wallet and bought the whole rack. Unfortunately, she could still smell boiling anti-freeze in the air.

"You into wax?" the guy asked, surprised.

"Of course," she answered, feeling almost insulted. Heck, you didn't have to be over the hill to dig vinyl. "I've got most of these," she lied to him, gesturing at the LPs.

The guy looked skeptical.

"I've got some other stuff, but wasn't planning on selling it. You want to check 'em out, make an offer..." he said, gesturing to a door.

"I'm out of here, Shelby," Laura announced. "I'll meet up with you outside Sketchers." Laura mouthed for Shelby to follow, so the guy didn't see. Shelby, though, felt Hot Topic could wait.

"Gotcha," she waved, and followed the guy inside.

Ross had a collection to die for. He'd introduced himself, apologizing for the mess, as he led her into his bedroom, the walls of which were lined floor to ceiling with first-pressing albums. He had it all. Early punk. Goth. New wave. Britpop. Synth. Shelby felt a trill of excitement race up her spine. Ross had a whole shelf devoted to picture discs. She pulled out a Lords of the New Church cover of Madonna's Like a Virgin, with the lead singer in a wedding dress, the spindle hole right through his crotch.

"One of my favorites," he said, admiringly. "Do you want to hear it?"

"Absolutely!" she gushed. He cued it up. The hiss and pop of surface noise boomed through a killer set of speakers. The music kicked in. The bass rumbled with the power to shake the walls. Shelby wanted to grind her pussy against the door frame, the thrum was so strong.

"Now that," she announced. "Is music to fuck to!"

Shelby froze. Had she really said that out loud? She wasn't sure. Not until she looked Ross' way. He was distracted, strenuously trying to appear like he hadn't heard her.

Shelby felt her cheeks flush, and remembered how she'd felt when she figured out that Ross hadn't been ogling her tits in the garage. Why hadn't he? She had a pretty nice set of headlights, if she did say so herself. C-cup. Full and bouncy. Definitely nicer than Laura's...

She recalled the look Laura gave her behind Ross' back. She had not been impressed.

But Laura dug guys who looked like they walked out of J Crew ads—guys like her brother. Ross looked nothing like that, and Shelby got the impression that the last time he'd heard a girl talk about fucking was on a XXX-rated DVD purchased from the sex shop down the street.

Inspiration struck. She scanned the shelves.

"Um...What else do you want to hear?" Ross asked, still clearly uncomfortable.

"Let's see," Shelby replied, pretending to think about it. "You got Depeche Mode's Music for the Masses?"

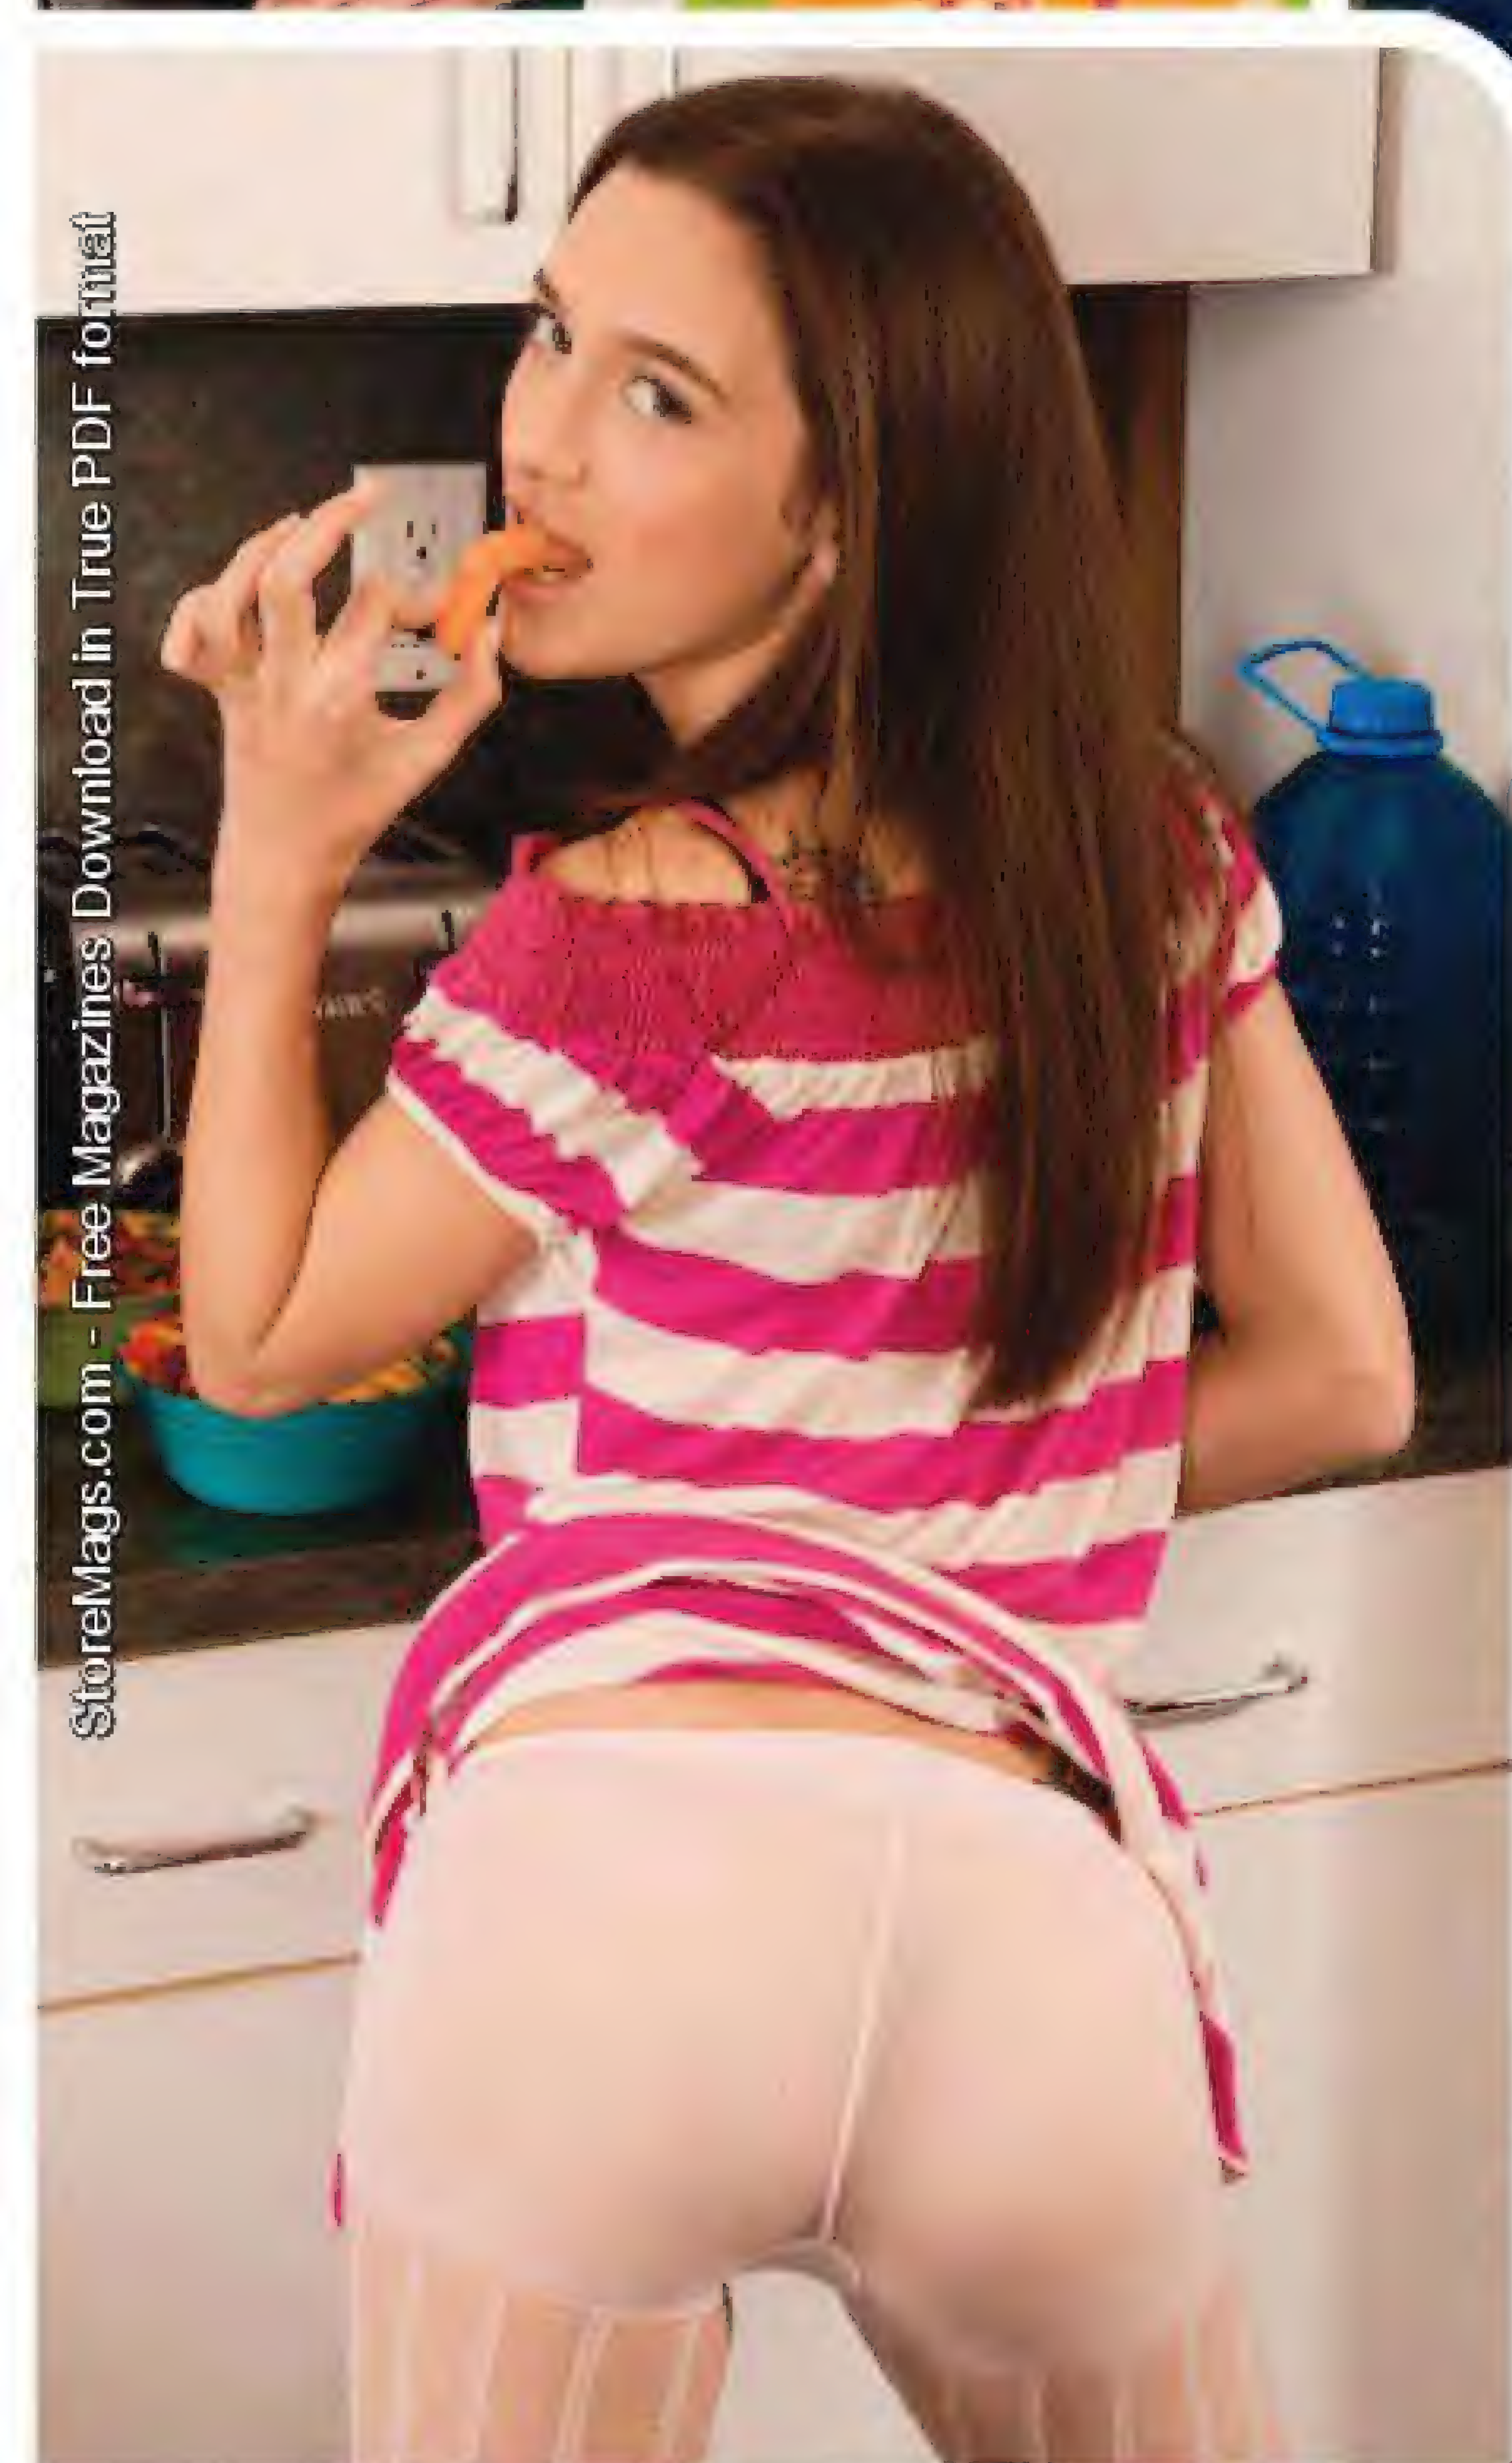

Ross stiffened. Shelby thought it was kind of cute. She'd definitely hit a nerve. Those in-the-know referred to the album she'd asked about as the fuck album, because supposedly, that's what the band recorded it for—to fuck to. And now, Shelby had just asked him to cue it up.

"Uh, I'm not sure," he began, but it was too late. Shelby had already found it.

"Here it is!" she said cheerfully, handing it over. Ross turned away, unsleeved it shakily. Shelby looked over his shoulder. The vinyl looked like it had barely seen the nee-

"It took a while, but yeah, I did. We started off with missionary to get me used to having a cock inside of me. Then we did doggie-style, but it was a little too intense. Then I got on top and after a minute or two I totally came."

I just loved the feeling of a cock in my mouth so much. Now it's one of my favorite things to do. While I suck cock I like to finger my pussy 'cause blowing a guy is a huge turn-on for me. Do you ever not wear panties?

"When I cheer I always wear panties. I'd get kicked off the team if I didn't. If I *could* get away with baring my beaver at a game, I so would. But there was one time after practice that I went to this guy's house, and I kept my uniform on but took my panties off. I let the guy *and* his dad get a peek of my pussy, and they both got hard! The guy ended up fucking me doggie-style outside by the side of the house."

dle. Ross busied himself at the turntable, resetting the equalizer. The first strains of music began, and he turned back to say something.

Whatever it was, the words died in his throat.

"Something wrong?" Shelby asked. She was topless, her shirt on the bed and holding up the Ramones tee she'd been checking out in the garage. Ross didn't even bother trying to answer. Shelby pulled the tee on, examined the fit. Wiggled around in it.

"Hmph," she said, shrugging out of it. "This should be better." As Ross stared, she popped her bra open and slipped out of it, before slowly-teasingly-trying the tee on again. She pulled it taut, her nipples boring through it like drill bits. Joey Ramone's face was totally distorted.

"So, what do you think?" she asked as innocently as she could manage.

"F-fits okay," Ross agreed. The music was filling the room now. Shelby peeled off the tee.

"Don't suppose you have any collector's panties, do you?"

"No..." Ross stammered. "Why?"

"Well, c'mon!"

Shelby challenged, dropping her pants and stepping out of them. "Don't you think these are kinda plain?"

Ross nearly choked. Shelby stood in front of him, wearing

nothing but pink, cotton undies. A pair that now sported an unmistakable circle of wetness spreading out from her dripping honeypot. She moved in for the kill.

"This music really turns me on, Ross," she cooed. "What about you? Does it, you know...get you hard?"

She cupped Ross' bulge, and gave it a squeeze. She could hear him gulp as she fondled his package, kneading his heavy nuts before gripping his shaft through his jeans. He was still speechless when she tugged down his zipper.

"Ross," she purred. "When was the last time you stuck your dick in a girl's mouth?"

"B-been a while," he stuttered, before his oral drought came to an end. Shelby was on her knees, lips sliding over Ross' cockhead, her black fingernails dragging along the base of his shaft.

Shelby took pleasure in the way Ross' knees locked, his well-toned thigh muscles brushing against her heavy boobs. He wavered at first, as she slobbered over his dick, but then steadied as she sucked down several inches of throbbing cockmeat.

Shelby let go of Ross' thick shaft, her hands slithering up his chest, feeling the hard muscle there. She had been right—Ross was pretty buff under his threadbare Final Fantasy tee. She ran her thumbs over his nipples, and he responded in kind, sending darts of heat into her perky, teenage titties. He was gentle, but firm, and his hands were as rough as his voice.

"God you've got great tits," he said, palming them. Shelby thought for a moment about telling him what had happened outside, but decided against it. She preferred his cock halfway down her throat, the taste of his pre-cum thick on her tongue. She slurped up a ribbon of spittle that had begun to drip down her chin, then slowly worked her way back to the tip of Ross' prick, tickling his pisshole when she got there.

She looked up. Ross was focused on her like a laser, and Shelby wondered what he was thinking. *Probably wondering if I'm gonna swallow*, she mused, engulfing his knob in her mouth again.

Shelby considered it. Should she? She didn't know Ross from a hole in the wall, but still...she didn't mind the taste of his early-warning-lube. Or maybe...she could let him shoot on her face. She doubted Ross had given a chick a facial in a long time—if ever. The thought of him blowing his load of cum all over her face made her bloomers even soupier. Yeah, she decided, taking a faceful of jizz and watching Ross' eyes bug out as he blew his wad sounded pretty fucking hot.

Only, it didn't work out that way. As Shelby greedily sucked his dick, Ross shifted his hands from her large, teen breasts to under her arms, lifting her to her feet.

Shelby thought about protesting, but only for a moment. Then, she was on the bed, on her back, and Ross was tearing off her soaked undies, tossing them aside and burying his face between her legs.

"Woo-hoo!" Shelby squealed, as Ross' tongue probed her privates and he began to dive her muff.

Ross said nothing. In the dirty-talk department, she decided, he definitely needed some work. That was all right, though. Shelby loved to fantasize, and it had been a long time since she'd fooled around with a guy. Even longer since she'd had a real boyfriend. She'd practiced in bed enough while alone at night to cover both of them.

"Oh, Ross," she moaned, lifting her ass off the bed and grinding her cunt into his chin. "Tongue me, sexy. Ram it up my snatch and fuck me with it!"

Though Ross didn't respond, Shelby could feel the effect she was having on him. She pictured his big, hard cock soon trading places with his tongue. That made her even wetter. She couldn't wait.

"Ungh, yeah, that's it. Eat my pussy, Ross. Do me with

Welcome back, Allison! Now who's this cute chick you're getting naked with?

"Her name is Keegan and she's a friend of mine from class. She's helping me study and giving me advice about school. She's a junior, and I just started college so I could use all the help I can get! And not just with studying either. She's pretty good at helping me get off, too. I'd never fooled around with a girl, but she has, and she showed me it can be a lot of fun! Now after our study dates we always do lots of titty-sucking, making out and oral. It's great, but it makes it hard to focus on the assignment. "I guess you could say I'm a part-time one, 'cause I like guys and girls. Girls like Allison are so much fun to play with. When I first saw her in class I knew I had to get a taste of her. So I went up to her and started a conversation, and things just kept going from there. The first time I helped her study I asked if she'd ever been with a girl before. She hadn't, but now I think I have her hooked on pussy! That always happens when girls find out how good other girls can eat pussy."

CAMP

WANNALICKACUNNY

ALRIGHT, THAT'S NOT THE CAMP'S ACTUAL NAME, BUT IT MIGHT AS WELL BE. PAULINE WORTH TALKS TO THREE SLEEP-AWAY CAMP COUNSELORS WHO REVEAL THAT THE WEATHER'S NOT THE ONLY THING THAT HEATS UP IN THE SUMMERTIME.

By Pauline Worth

They spent seven summers together as girls, going from one-piece racing suits to two-piece string bikinis by the lake, driving the guys from the boys-only camp on the other side insane with testosterone-induced madness. They'd play Truth or Dare in their tents during camp-outs, asking one another who'd been asked out, kissed or even more. They did each other's hair and made friendship bracelets and looked forward to every summer away. But more than anything, they talked about how cool it was going to be when they got to be counselors.

Now they're 19 (well, one is still 18), and for Veronica, April and Corey, sleep-away camp has turned into everything they ever hoped it would be—and more.

"Being a counselor rules," says an exuberant Veronica, tossing her duffel bag down on her bunk, stripping the standard-issue sheets and replacing them with the cute, heart-studded set she bought specifically for camp. She makes the bed in military fashion, then wraps herself in the soft, hot-pink throw her grandma knitted for her, long tan legs peek out from beneath, delicate gold rings glint—one each on her smallest purple-polished toes.

"Especially the week before the kids get here! Remember what a blast we had last year?"

"O-M-G, it was insanity!" pipes tiny, bouncy Corey. The tiny five-foot blonde is a miniature Barbie, bursting with teenage energy—and a rack up top that's dangerously close to D, quite possibly the perkier set I've ever laid eyes on. They seem almost suspended (and barely contained) in the impossibly small black camisole tank she's wearing, but they're 100 percent natural. (I had to ask.) "Hey, Ape, remember the 'Spin the Bottle' game with Max and Brady?"

"Mmmm, definitely," says a sleepy April. She's been up since before dawn—first a trail-run (she's a track star back at school), then a busy morning cleaning out her own bunkhouse in preparation for the campers. After a quick, hot wash in the communal shower house, she is ensconced in a beach chair that Veronica has set in the corner with a comforter thrown over it. She was lazy with the towel—her pink, blinged-out tank has gone a little see-through with the dampness of her citrus-scented skin. Her nipples, dusky and large-ish atop small, pert breasts, are clearly visible. She brushes a wet lock of reddish-brown hair from her face and smiles sleepily. "That was hot."

Veronica, now lying on her belly atop the fuzzy blanket, flips through a celebrity-gossip magazine, shiny, dark hair and choppy bangs framing her lovely olive-skinned face. Her legs, bent at the knee—pretty feet waving about absently in the air—look impossibly long now in her tiny athletic shorts. "You have to tell Pauline the story," she says, smiling, wide green eyes peering through her bangs.

"Ohmygod, no!" squeals Corey. But then a mischief comes into her baby-blues. She scrunches her freckled nose playfully. "Okay, I'll tell her the 'Spin the Bottle' story, V. If you tell her about the boathouse!"

"Ooooooooooooooh, the boathouse!" says April, twisting her wet locks into two high pigtails. Her purplish nips, now semi-erect, are even more prominent as her arms stretch up over her head.

Veronica chuckles throatily. "Alrighty, then—that's tame enough, I guess."

THE BOATHOUSE

The previous year, just a week or so after her 18th birthday, Miss Veronica's long-standing crush on Joaquin, the 25-year-old Spaniard who had come to America for graduate school, culminated in one impossibly hot encounter near the end of the summer. The two had been flirting all season long. Veronica admits the chemistry was palpable from day one.

"We laid eyes on each other and the attraction was instant. I didn't know his name. I didn't know a thing about him or where he was from, but as soon as our eyes met it was like a fire caught in my belly, and I could actually feel my little panties getting wet. He was older; he had something mature and masculine about him. He had a heavy five o'clock shadow, more hair on his arms and legs than a teenage boy normally would. His body was lean and sexy and he carried himself differently."

Then he walked over and introduced himself. "The accent drove me crazy from the get-go for sure!" she coos. "And he was closer to me. I could almost feel heat coming off him. I looked at his mouth and his scratchy chin, and I could almost picture my thighs against his cheeks."

At this point, Corey and April sigh audibly. "Yeah, he was hot alright," says April.

Veronica smiles for a moment, lost in memory with her eyes closed, then continues.

"Yup," she continues, "There was no one else I wanted, just him."

"V spent all her free time with Joaquin," says Corey. "She wasn't interested in any of the other cute guys at camp who followed her around like hungry dogs."

Joaquin was away getting ready for school the weekend she actually turned 18, but when he

returned, the chemistry had changed a little. They both knew it was only a matter of time. Veronica, primed after weeks of sitting close and laughing and talking, "...and going through about a thousand C-batteries with my Rabbit...!" she chuckles in admission. She was, she says, more ready than any virgin in the history of the world to be deflowered.

And so late on a moonlit night just a week before she was due for her freshman year in the Northeast and he was headed back to Texas, he took her hand and led her through the woods to the barely-used boathouse at the far edge of the lake. Inside, he'd set up a full-size air mattress with sheets, he'd lit candles, brought music. He had drinks and fresh fruit. "For energy," she laughs softly, huskily.

Wordlessly, she sat on the edge of the makeshift bed and they kissed, his tongue invading the space of her mouth like a welcome serpent. She sucked on it and felt his body tense. She wasn't frightened, not even a little.

"Oh no," she says. "I was totally ready for it."

He eased her back and she could feel his cock, long and

hard, through his jeans. "It made my pussy wet and hot. I had never been so turned on before. I wanted it inside me. We kissed a little more and his hands roamed over me. He was taking it slow, being careful with me, but really I just wanted him to tear off my panties and push it inside. In hindsight, though, it was a mirror to the summer—all that waiting. It's nice being with an older man. They have patience when it makes sense. That night, it really did."

She stood up and he lay there, watching her long, lithe body in the candlelight as she pulled the dress up and over her head. Her jet-black hair feathered back down over her shoulders and down her lean back. She wore no bra and her nips stood out hard in the chilly forest air. She was unbelievably gorgeous and innocent and perfect in nothing but small white cotton panties.

He drew her close, sitting up, and pressed his face into the junction of her thighs, breathing hot through her panties. Her fingers curled into his wavy, dark hair as his lips kissed her mound. It was her first time doing anything like this. Her body reacted instinctually, and she felt the hot liquid course from between her silky lips. Joaquin had instincts, too. He curled his finger beneath the edge of her undies, pulled them aside and wedged his tongue into her snatch, holding her round, firm ass with his hands.

"He knew my knees were going to give when I felt his tongue against my clit. He whirled me around and let me fall backward onto the bed, tearing my panties down in one motion, and then easing my legs apart in another. Before I knew what happened his face was buried in my pussy and my legs were wide open. His tongue was everywhere—on my clit, up in my hole—it was sensory overload. A minute later my knees were up by my chest and my hands were pressing his

head into my crotch while I came and came and came. It was the first time I'd orgasmed from anything other than touching myself. It was unbelievable."

Kissing him afterward, she remembers, lit her fire anew before it even had a moment to wane. "I don't know how he'd wriggled out of his jeans while he was eating me—it didn't seem like he could have had time—but after I came he was on top of me and I could feel the head of his prick dancing against the wetness of my lips."

He kissed her and the scent and taste of her virgin pussy, she says,

Fucking the Gardener

Mandy is the kind of horny daughter that parents have to keep a close eye on.

"I'm always grounded for something, and it usually has to do with a boy. My parents think that making me stay home will keep me out of trouble, but they're wrong. Even at home, there's still dick to be found. In fact, fucking the help is one of my favorite pastimes. I do the gardener all the time while my parents are out. A few times they've told me to pay him, but I pocket the money. He's happy to go without the money if I fuck him."

What do you like about fucking the gardener?

"I come from a wealthy family, and I guess it's taboo to get involved with blue-collar guys. I kind of like that if my parents knew I was fucking the gardener and the poolboy that it would piss them off. But I also like how manly they are, and that they work with their hands. The gardener is always so dirty and sweaty whenever I call him up to my room to fuck me. It's a turn-on. And he always seems genuinely happy to fuck me. I think he kind of likes the naughtiness of fucking his rich employer's daughter, too."

Are you afraid your parents will come home one day and catch you fucking one of these house workers?

"Not really. There's a very small chance that would happen. I'm too slick; I know their routine and how long I have to get my freak on. Sometimes I kind of wish they would catch me so I could piss them off, but at the end of the day it's not worth the trouble I'd get in."

You're totally a bad girl, Mandy. We love it! Now tell us, does your gardener make you cum hard when he fucks you?

"Hell yeah! He knows how to drill me just right. Sometimes I'll get light-headed and my legs will shake after we fuck. So yeah, he makes me cum really hard. Especially when he fucks me on my parents' bed. We always get wild in there. I make him cum hard, too. We just have to be careful that none of the cum gets on the sheets. And I know for sure he's cumming hard 'cause he moans loud and his load is always way bigger than the other guys' that I fuck."

was an aphrodisiac. "I parted my thighs as though I'd been made love to a thousand times. It was so natural. But when his cock slipped inside, I remembered I was still a virgin. It hurt for a moment, in the most delicious way, and then it was incredible, the length of his cock probing deep inside me, the girth of it stretching me."

They moved together as they'd meant to since the beginning, and when the time came for him to shoot, it was almost as though scripted. "We'd talked during the summer about things we found sexy. I'd sneaked peeks at dirty magazines before and I thought it was sexy when girls sucked cock. I hadn't had the chance just yet."

Joaquin remembered Veronica's fantasy, so he whispered a warning before he came. "I sat up as he pulled out and put him in my mouth. Again, that taste of the two of us together was such a turn-on. He came buckets full, though," she giggles. "I couldn't swallow it all and some dribbled down my chin. But then Joaquin turned my party foul into something even sexier, and he kissed the small drop away and we fell back to the bed-making out for five or so hot minutes while everything sort of calmed down."

There were more sighs from Corey and April. "I will never get tired of that story," April says. "It's like a romance novel or something. A hot foreigner steals the heart—and virginity—of a gorgeous American teenager." They all giggle. Veronica looks dreamy. I turn my attention to the others and cock an eyebrow.

So I've heard the boathouse story, I say. "What else do you have for me?"

SWEDISH FISH

"Well, Corey," April says, "it's not like you didn't get any foreign candy last summer. I mean, girls count, too—don't they?"

Corey giggles. "What? I was curious!" she fires back. "And you know how I like blondes."

"I think you're just hot for yourself!" Veronica jokes.

Corey scrunches her animated face up in mock shock and reproach, then

laughs again. "Well, Anya was even blonder than I am!"

She wasn't lying. A quick glance through last year's photo collection yields an image of Corey with a stunning, tall creature. She looks like a teen model, in fact, and towers over the small, curvy Corey in the shot—taken at a barbecue and campfire. "This was the night it happened," Corey says. "Before the Truth or Dare game got a little crazy."

It was camp-out night—where everyone skipped out on the bunks and set up tents in the woods. Hot dogs are eaten. Songs are sung. Mosquitoes are swatted and fireflies are caught, if temporarily, in jars. After the campers had all fallen out, a small group of counselors congregated in a tent to play the classic game of campfire circles and slumber parties: Truth or Dare. And someone dared Corey and Anya to kiss.

"She was really pretty," Corey admits. "And like I said, I was curious." But she admitted the moment their lips touched—even while the other girls were squealing and laughing and whatnot—they both felt a spark. Later that night, Anya crept to Corey's tent.

"I'd actually been lying awake, anyway," she says, "stroking my fuzz box inside my sleeping bag. It was almost like I knew she was going to show up." The pair slipped out of camp and back to the empty bunkhouses. Everyone else was up in the woods. "We barely spoke," Corey says. "We just started kissing and it was soooo nice. Her body was so smooth and soft and pale-white. My tan looked sexy against her skin. We made out for what felt like an hour, exploring one another's curves. I loved her small breasts. She loved my big ones and stroked them for a long time. She kissed them and squeezed them and bit my nipples. And she really knew what she was doing. By the time she made it down to my bush I was completely soaked. Even my thighs were wet."

"Anya tenderly kissed my pussy. She spread it open and lapped it like a dog. I think she even sniffed at it. It was super hot. I was grinding my hips up into her face, and I started talking a little dirty, telling her to suck my clitty a little..."

"Nasty girl," April interrupts, look-

ing a little flush from listening.

"Anyway," Corey continues, "I wanted to eat her pussy, too. I wanted to SEE it. And, of course, taste it. I'd never been with a girl before! But she was way taller than me, so she took my place on the bed, and I sat on her face, then put my face in her pussy for some hot 69ing action. She tongued me and even rubbed a wet finger over my asshole," she giggles. "I was kind of nervous she was going to stick it in there, but she didn't. The touching felt really great, though. It tickled a little. But I'd be open to trying a little more of that at some point!"

Anya was from Sweden and her pussy, lush and beautiful, was as white-blond as the fine straight hair on her head. "And soft," purrs Corey. "Like a kitten. I spread her open and it was dark inside—a beautiful purplish color—and she tasted like candy. I tongued her fat, swollen button, just a little, and she started to cum, so I clamped down a bit on it. She did the same to me while we were 69ing, and before we knew it, we were really wrapped around one another, convulsing, cumming and licking and sucking all at the same time. It was so hot; we passed out sleeping a few minutes later."

Luckily, the pair awoke just before dawn and scrambled back to camp before anyone caught them. "Can you imagine if the Director had come looking and found us sleeping naked like that? Ohmygod..."

"He's a perv, anyway," says April. "He'd have probably wanted to jump in there with you."

APRIL'S SHOWER

"So NOW you have to tell the story of Max and Brady, April," Veronica reminds her.

April still looks pink-cheeked. Those dark nipples have now hardened into points. It's like she's barely wearing a tank at all. She looks very young. And very wanton. Her eyelids are heavy, sultry, and she gets a far-off look as she recounts the steamy summer night when a game of Spin the Bottle careened into her wildest sexual encounter to date.

"It was weird, that night," she says, absently moistening full lips, brushing an errant lock of now half-dry auburn hair from her freckled nose. "There was something kind of...I

don't know, moist in the air. The atmosphere was just sexy. We'd been lying around the counselor lounge on O.D. (the term used for counselors on the night watch—patrolling the grounds and doing bunk sweeps while the campers slept—it stands for "on duty") and it was just the three of us—me, Max and Brady."

Brady, like April, was a camper-turned-counselor. The two had more or less grown up together. Max was Brady's friend from college who had been talked into coming onboard as a counselor that summer. "We were all lying around on the couches, looking at magazines and flipping the TV on and off, but there's no cable or anything and we were sort of bored. Max finished a bottle of root beer and Brady was joking around and said we should play Spin the Bottle."

"There's only one girl!" said Max. He was less experienced, less of an Alpha than Brady, who'd gotten a look of mischief in his eye.

"Then she'll have to kiss us both," he laughed. "Whaddya say, Ape?"

She thought about it, but the tingling between her legs answered for her and she said yes. On the first spin, she won a kiss with Brady. "Let's give Max a show," he purred into her ear, pulling April's lovely, little form into his arms and rolling beneath her on the floor pillows, making out with her slowly and languorously while Max, transfixed, sat on the couch nearby and watched them.

"He was an AMAZING kisser," April remembers, now tickling her own bare thighs with her fingernails. Her body is on autopilot as she conjures the memory. I'm sure she has no idea what she was doing. "And his hands were roaming all over my body. He cupped my ass—I was wearing faded jeans, I remember—and pulled my hips into his, crushing me against his hard cock. It really turned me on knowing Max was watching us, and I'd steal little glances back at him when we moved to the me-on-the-bottom position. I could see him swallow hard as he watched Brady grinding his hard-on against me, sort of dry humping me."

Max spun next and it was his turn. Brady sat close by as she kissed the nervous Max with lips now swollen from activity. Max's cock was tenting his soccer shorts impressively. April

wanted a taste, so she eased down, freed his stiff prick—"It was huge! April says. "Maybe 9 inches or more!" and slid the thick meat between her lips, tonguing and sucking.

"I could literally feel more blood rushing into it," she remembers, "filling it up and making it even bigger! His body was so tense. I'm not sure anyone had ever sucked his cock before, but it was a beautiful, delicious one. I could tell Brady liked watching me, so I gave him a show, lying on my stomach and letting him ease my jeans down while I licked and sucked and hummed on Max's dick. God," she giggles. "I hope Max comes back to camp this year!"

"God, finish the story already!" chirps Corey.

April laughs, and then acquiesces. "Brady watched me sucking and licking and he took his own cock out for good measure. I could feel it—hot and smooth—he was pulling on it and rubbing it against my bare bottom with one hand while his other played a little between my legs. His fingers were sliding in and out of my pussy. It felt amazing, and it was doing a good job of getting him where he needed to be while he watched me swallowing his buddy's massive rod. I was pulling on it, slobbering on it, getting wetter and wetter while I sucked him off. And I'd ease up a little every time I could feel him getting close."

She was waiting for Brady. "I'm good like that," April jokes. "I thought it would be kind of fun. Everyone always talks about simultaneous orgasm. I thought having the two guys do it at once would be hot. And I was right."

Max was right there—April gave him credit for holding out so long—and she heard Brady say, "I'm gonna cum." They moved together and she took both heads into her mouth. "As much as the position and the sizes would allow, anyway. They both tasted sweet and creamy and holding two nice dicks in my hands was a power trip. I've thought about it often since it happened. It's not something I'd want to do all the time, but once in awhile, definitely!"

In fact, April tells me, she thinks this summer might be right for round two. Corey, ever playful, can't resist chiming in. "I have to make sure we're on O.D. together this year!" **18**

**What made you first

shaving your pussy?**

"I never liked having body hair. Plus, all of my friends would talk about how they shaved their pussies. And I would hear guys at school talking about how they liked it when girls shaved, so I thought it was the normal thing to do. I didn't know that everyone used to have a bush up until a few years ago."

Release: StoreMags & FantaMag

If a guy asked you to grow out your bush for him, would you do it?

“Um, I guess if I liked him a lot and we were fucking on a regular basis. I don’t see why he would want me to though. I’ve gone down on girls who didn’t really shave their pubes, and I like it a lot more when they do. All the hair kind of gets in the way. I’d think that guys felt the same. Also, there’ve been times where I let my pubes grow out a little ‘cause I was too lazy to shave, and I noticed that my pussy feels a lot more sensitive when it’s shaved than when it has hair.”

We're known for our cute, little flatties. But what about all the rest? As far as teenage tits are concerned, there are many different kinds. Just like pussies! We still love flatties, but we think it's time we give some recognition to the other kinds of breasts that you often see on the pages of our magazine. We've grouped girls based on their tit size and shape. But on this page, we're celebrating chocolate nips. Kayla and Lina's titties and nipples are more of the coffee 'n' cream variety, while Minnie's are a dark chocolate color. And don't forget Stine to the right. We gotta show some love for the busty teens!

Sometimes what makes breasts unique are their nipples. Vanessa and Channell both have big areolae covering a good part of their boobs. They also have a similar oval boob shape, with Vanessa's being slightly larger. Puffy nipples are a rarity, especially when a girl is nothing but nip like Lena (whose nickname is Puffy). Heidi also gets honorable mention as a puffy, although hers aren't as full as Lena's. Moving back to breast shape, above we have two pairs of teardrops. They could be called that 'cause they're so cute they make you want to cry. Just kidding! Obviously, we're referring to their breast shape.

One of the most common types of teen tits are the round and perky kind. Second to flatties, we'd say this is the most requested breast type from readers. And with good reason! Is there anything more attractive or youthful than a set of high, gravity-defying, just-big-enough-to-fill-your-hand tits? Hardly! Round perkies are perfect for cupping and sucking. And of course, a tit special in **18eighteen** wouldn't be complete without some space dedicated to our beloved flatties, which you will see to the right. We'll admit that we saved the best for last!

your mouth! Lick it, lick my fuckin' clit until I cum!"

Ross dug his tongue into her cleft, bringing it up under the hood of her clit and making her squirm. Shelby grabbed the back of his head, pulling him closer. His nose parted her lips as he swabbed out her slit and lapped away at her gooey gateway.

"Ohhh, finger me, Ross. Stick your middle finger up my hole and get me off! *Ungh...yeah!*"

Ross' heavy breathing across her damp flesh and wispy pubic hair had Shelby on the edge of a massive orgasm. She knew Ross would comply—that he'd do anything she asked. And then, without warning, two fingers slammed home, causing her to cry out, they reached so deep.

The bed shook with her climax, her legs pinning Ross' cheeks between her sticky thighs. Cum flooded her twat, so much so that she could feel it dripping down into her ass crack and flowing onto the bed sheets. Ross didn't seem to notice, or care, that Shelby was cumming. He seemed intent on one thing—*keeping* her cumming.

Shelby felt a second wave roll over her, throwing her head back against the mattress as her gooey girl cream flooded into Ross' mouth. Though Shelby writhed, trying to break contact just long enough to catch her breath, Ross' hand on her hip prevented her from doing so. She thrashed about, unable to do anything but cum and cum and cum again, while Ross' tongue battered her overloaded clit into submission.

"Ross!" she cried. "Ross! You, you have to s-stop! I-I need a sec-second to-to-to..."

Her voice trailed off. Instead of finishing, she let out a warbling groan, another orgasm overcoming her. Ross continued fingerfucking her, his dual digits finding her G-spot and diddling it. Everything melted together. Shelby could no longer tell if it was Ross' fingers banging her slot that was making her dizzy, or his mouth, sucking on her clit, his tongue like an exposed wire electrifying her cunt.

Shelby found herself on her side, curled up into a ball. She didn't know when Ross had finished eating her

out, but it couldn't have been long. She was still experiencing aftershocks, little spasms that caused her thighs to press together involuntarily, which only heightened the sensation. She could feel Ross, his chest pressed against her back, his arm draped around her.

"You all right?" he asked, his breath tickling her ear.

"Holy shit that was awesome!" she told him, feeling his chin stubble on her shoulder. "For somebody who doesn't get a lot, you sure know how to eat pussy!"

Ross chuckled. When he laughed, she could feel his hard-on, digging into her ass cheek. A noise sounded, then sounded again. She glanced up to see the turntable needle butting up against the record label.

"Sit tight. I'll get it," he said, shifting to get up.

"No," she insisted, rising up on wobbly legs. "My turn."

The smart thing to do, she thought, was just flip the record over and let Ross bang the snot out of her to Side 2. But Shelby wanted something different, something special. She hadn't cum so hard in...well, it seemed like forever. It made her want to up the ante. She wanted to be nasty. To be raunchy and rude and slutty. To be a fuck Ross could never, ever forget.

Shelby found the record she was looking for. The 7" maxi-single that had put the Lords of Acid on the map. She placed the needle at the edge of the disc and clambered back into bed, grabbing Ross' erection with enthusiasm. She spit into her hand and gave it a few, furious strokes.

"You ready to cum, Ross?" she asked, wrapping her fist tight around his rock-hard cock.

"Oh, yeah," he said while nodding. "Oh hell yeah."

The music started. And so did Ross. The sexy voice of Lady Galore poured out of the speakers.

Darling come here, fuck me up the as—
Shelby let go of Ross' dick, turned around and got down on all fours. The synthesizers kicked in. Shelby eyed Ross over her shoulder.

"C'mon," she urged, wiggling her backside. "You're not gonna pass up the chance to ass-fuck me, are you?"

Ross gaped, gazing down at her little, puckered brown-eye. Sensing his

"I am horny most of the time, but I feel especially horny right now 'cause I'm wearing my boyfriend's shirt. I put it on sometimes 'cause it's big and cozy, and it's comfy to wear. But my favorite part about it is that it smells like him. It makes me think of him, and then I get really horny. It's almost like he's there with me."

Does the smell of your boyfriend make you want to masturbate?

"Yes. I always end up touching myself whenever I wear his shirt. I smell him on the shirt, then I think of him, then I start thinking about the last time we had sex, or a time we had really hot sex. Then I can't help but touch myself while rolling around in the shirt and pressing it up against my face. I've made myself cum so much while wearing his shirt that it might just start to smell like my pussy! Then I can give it back to him, and maybe it'll have the same effect on him as it does on me! Then he'll jack off while wearing it. It'll turn into an endless cycle. I hope he never washes this shirt again!"

hesitation, she reached back, waggled her onyx-black fingernails, and pulled her butt cheeks apart invitingly.

"Just go easy, okay?" she coaxed. "Cuz...you're gonna be my first."

Ross came forward on his knees, his strong hands replacing hers on her butt. He looked down at her, still hesitant, wanting to be sure.

"Please," she pleaded. "Don't make me wait any more! You're not the only one who wants to cum!"

Shelby reached between her legs, found his cock and grabbed hold of it. She shifted back, and rubbed his tip against her still-dripping folds. Ross got the hint and took over.

"That's it," she said, her voice low and husky. "Slick it up. Get it nice and slippery for me before you stick it in."

Ross took his time. He teased her with the head of his prick until she was entirely greased-up again. Shelby thought he might bail out, go instead for her pussy, but then she felt the pressure hard on her back door. She held her breath.

"Oh, yeah," Ross huffed, pushing into her. Shelby gasped. It felt like Ross was trying to shove an apple into her, he was so big. But after a few seconds, her muscles relaxed, and even though the fit was tighter than she'd ever imagined, Ross' dick was gradually disappearing inside her.

At first, Shelby thought she might have made a mistake. Ross kept pushing, penetrating her backdoor deeper and deeper. It seemed there would be no end to the amount of dick he pumped into her asshole. Shelby began to grow nervous. Her breath came short and shallow. Her whole body tensed, waiting for him to finally hit bottom. Just when she thought she couldn't take any more, she felt the slap of his balls against her squelching lips. He held up, not moving, buried to the hilt.

Maybe it would be better if she just

told him to pull out, pull out and she'd let him fuck her. That, or just finish sucking him off. Sure, he could still blow on her face. Or, in her mouth, if that's what he wanted. Guzzling his jizz, letting him see it shoot in her mouth and slide down her throat—was still an option.

Then he began to pull back, and every nerve in Shelby's nether regions came to life. It was like flipping a switch. Suddenly, she wasn't breathing, but panting. Her sphincter hugged Ross' pole and as he began to push it back into her, the downstroke got Shelby's teeth chattering.

Good. It felt good. Different, because she hadn't been lying about being an anal-virgin, but...slowly, it was feeling really, *really* damned good. It just took a little getting used to. The tension in her back eased, and then her shoulders. Then, Shelby was back on all fours, head low, hair hanging around her face, and Ross really began giving it to her.

"Oh, Ross!" Shelby grunted, digging her nails into the pillows as he began to bang her harder. "Give it to me, sexy. Yeah! Ung—so fucking good you are—ngh...oh yeah, oh god yeah, fuck my ass, sexy, fuck it, fuck it!"

Ross' thrusts intensified. Soon, he was pounding her from behind, drilling her rump, his balls slapping against her pussy. Nectar leaked out of her and down his legs, staining the bed with her juices.

Her back arched. She trembled uncontrollably. As Ross continued to plunge into her, the first cum she'd ever had practicing anal rocked Shelby to the core.

Ross grabbed her hips, holding her in place, preventing her from bucking herself off his throbbing cock. As her back door clenched around his shaft, he quickened his pace, the churning in his balls reaching critical mass.

Shelby's climax began to ebb. As it did, she could tell that Ross' rhythm had degenerated into jerky, nearly spastic thrusts. She'd never had a guy do her in the ass before, but she sure knew what was about to happen.

"Go on, sexy," she told him. "It's okay—I want it! I want to feel it! Go ahead, babe, cum in my ass!"

Ross steadied, but only for a moment. He slowed up enough to pump out another few strokes, and then like a flamethrower, he erupted

in her, his nut butter jetting into her in rapid-fire spurts.

Shelby bit the pillow, her body wracked with the ferocity of Ross ejaculating into her. He worked his cock into her as deep as it would go, then held on, his arms wrapped around her waist, emptying his seed into her freshly-deflowered ass.

Shelby finally felt herself falter. Her arms gave, and there was only Ross, holding her up, kissing the back of her neck. It was the last thing she remembered before falling asleep.

Shelby awoke around four, alone, still in Ross' rumpled bed. She pulled on her clothes and looked around, but he wasn't there. Finally, she stepped out into the garage. The sale stuff had been put away, and her Colt was there, hood open, Ross bent over the grill. She hip-bumped him as she came over.

"What are you doing?" she asked, looking at a mess of hoses and belts spread out on the fender.

"She ain't all bad," Ross proclaimed. "Used to have one just like it. She'll be good as new when I'm done with her."

"Y-you're fixing my car?" she exclaimed. "And it'll actually run?!"

"Like I said, good as new." He winked at her. Shelby felt her stomach do a little flip.

"Well, if it can get me through a semester at college," Shelby mused aloud. "I'm gonna have some extra bucks to buy records." She flashed Ross a smile. He shook his head.

"Not mine," he said. "Not for sale."

"B-but..." Shelby began, crestfallen. Ross flashed her a wicked smile.

"Oh, you can listen to 'em all you want," he clarified. "You'll just have to come over here to do it."

He went back to tightening a belt. Shelby's mind raced. There was an awful lot of vinyl in Ross' room. She wondered how long it'd take for them to listen to it all....

"What can I say? I'm a kinky girl! This time around I'm going to fuck a guy and stick a toy in my ass. I would try anal but his cock is too big. My ass isn't used to taking big cocks, so that will just have to wait. But when I do manage to squeeze something up my ass, it feels really good. I think eventually I'll turn into an anal queen! 'Cause when you have an orgasm from anal, it's so intense. I don't even know how to describe it. When it happens I almost want to pass out!"

A woman with long brown hair is lying on her back on a bed. A man's hand is resting on her hip. She is looking towards the camera with a slight smile. The background features a patterned curtain with colorful circles.

You have big nipples. Are they sensitive?

"They're not that sensitive, but I like that 'cause then you can pinch them harder. It actually feels good to me when a guy tweaks them hard and bites them a little while he's sucking on my tit. It's better than them being too sensitive to everything."

Are your pussy and asshole sensitive?

"My asshole definitely is. But I think that's true for everyone. My clit is sensitive but I still like it sometimes when a guy licks it hard and nibbles it."
